School Shoes

The merit of our school shoes is unquestioned. We have been exceedingly careful in the selection of this very important part of our stock. We realize that it is no use for us to sell a shoe that will not wear to the boys and girls at school. It would be folly for us to do this, as we sell the kind of shoes that will insure continued patronage. All we ask is a trial of our school shoes. Afterward you'll come here of your own accord.
